

REMARKS

Claims 1 through 20 remain in this Application. Claims 7 through 20 have been allowed previously. The only difference between this Amendment and the previously submitted unentered amendment is a correction in claim 5 deleting the first occurrence of the word "said" to avoid a lack of antecedent. All else, including the following comments, remains the same.

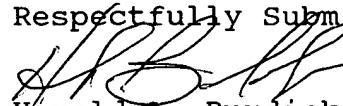

Independent claim 1 has been amended to include all the limitations set forth in now allowed claim 14 in addition to further limitation. Since claim 14 has been allowed, claim 1 is now allowable. Claims 2, 5 and 6 have been amended to further limit these dependent claims and/or to change dependency. Claims 2 through 6 are dependent on now allowable claim 1 and are thus also now allowable.

Dependent claim 20 (previously allowed) has been amended to avoid claim redundancy.

In view of the foregoing, all of the as yet unallowed claims in this Application are now allowable, and accordingly, allowance of these claims, followed by

passage of this Application to issue, is respectfully solicited. A Petition for Extension of the Period for Response and extension fee is submitted herewith to effect extension of the response period to September 12, 2006.

Respectfully Submitted,
